

INT. Office Cubicle - DAY

(OPEN ON: An office cubicle. Ryan sits working on a report. JJ walks by carrying a mug of coffee. He peers inside Ryan's Cubicle.)

JJ:

Good Morning, Ryan.

(JJ takes a sip from his mug.)

RYAN:

Hi JJ.

(He continues working at his desk for another minute. Ryan turns to see JJ looking at him with a disturbingly fiendish smile.)

RYAN:

Was there something you wanted?

JJ:

Me? Oh, no. I'm just standing here enjoying this cup of coffee.

RYAN:

I'm happy for you. I'm going to get back to these reports now.

(He turns and works for another minute. JJ is still standing at the door. Ryan gets bothered.)

RYAN:

Are you still here?

JJ:

Yes, I am. And this is such a good cup of coffee.

(He takes a sip.)

JJ:

Mmmmmmm...

RYAN:

I'm sure it is.

JJ:

You should go get yourself a cup of this wonderful, wonderful coffee.

RYAN:

No, thank you. I'm fine.

JJ:

Did I mention that it's the best cup in existence and there'll never ever be another pot of coffee this good ever again?

RYAN:

That's something I can live with. So can you please just leave me alone? I have a deadline to reach.

(Ryan turns back to his desk. JJ starts taking sips from the mug. He moans 'mmm' louder and louder with every sip he takes. After a few times, Ryan snaps.)

RYAN:

What do you want?!!!

JJ points at his mug.

JJ: (mouthing the word)

Coffee.

RYAN:

Look, I know what you're trying to do.

JJ:

What are you talking about?

RYAN:

You took a dump in the coffee maker.

JJ:

What?

RYAN:

Come on. Admit it. I know you did and you know you did.

JJ:

That's the craziest accusation I've ever heard. I would never do anything like that.

RYAN:

Today is April Fools day. You do that same prank EVERY year in hopes that someone drinks your tainted coffee.

(Shot of coffee maker with turd sticking out of coffee.)

JJ:

I could never do that. I'm innocent.

RYAN:

Don't you remember last year?

(Cut to last year. JJ is standing beside the coffee maker. Enter some random guy who works there. He pours himself a mug of coffee and takes a sip. JJ starts laughing and pointing at him.)

JJ:

APRIL FOOLS!!!

(JJ starts dancing around. The guy is caught by surprise.)

JJ:

HA HA! April Fools! I took a shit in the
coffee maker. You're drinking my shit!

That's my shit in your cup!

(The guy runs off to vomit. Ryan is standing there watching the
whole ordeal, looking all disappointed. Cut Back to Present.)

RYAN:

So, NO! I'm not getting a cup of coffee!

(Enter TIM. He has a mug of coffee.)

TIM:

Hey, what are you guys talking about?

(He takes a sip. There is a brown ring around his lips.)

TIM:

Mmm... Great coffee.

(He walks off. Ryan and JJ are in awe. JJ looks at Ryan and
smiles.)
